

# "What is your Side Hustle?"

**James Drury, Master of the Side Hustle, Author, Professional Auctioneer**

*"Expand Your Opportunities with a Side Hustle"*

James helps business professionals understand the importance of building income streams. He shares tactical tips so they become better networkers, connectors and relationship builders, a foundation to building that income stream. From the hand shake, how to initiate conversations, to the follow up, attendees always walk away with tangible tools they can use immediately to start on the road to additional income streams.

*"I could not sleep at night if I only had one income source"*

**James Drury**

James is an award winning speaker, educator and curriculum developer, with a Masters Degree in Speech and Marketing. He has spoken to audiences across the United State and his educational curriculum has been approved and consumed across 9 states.

"I have witnessed James Drury present to an audience that captures their attention by using story telling techniques so that they are only listening to him. His style builds trust in these groups and encourages them to take follow-up action" **Patrick Yanahan, Chairman, USA Strategies, Inc**

## **Keynote**

### **Developing your Side Hustle and Why**

This presentation will share practical strategies in order for attendees to think about and build their additional income streams. Attendees will learn the best way to grow their influence, draw people in, and build trust, to want to work with you. They will leave with a plan of how they can use very simple yet effective actions to initiate change in their life, retirement or just pay a bill.

#### ***Attendees will***

~Learn why they should get to know more people especially in business and how to increase their business success

~Learn the 5 commandments you should employ when starting your side Hustle.

~Learn how to find that Side Hustle that suits you.

Your chances for success increase with the more people you meet, the ideas they share. Most importantly, remember failure is not failure.

#### **Other formats include:**

Workshops, Seminars

## **Other areas of Expertise:**

Emcee, Auctioneer
